MEMORANDUM FOR: Director, National Photographic Interpretation  
Center

SUBJECT: Construction and Occupancy of Building 213

1. Your memorandum of 7 January 1963 was very much appreciated. It has been a pleasure to work with you and your organization in the planning, construction, and occupancy of Building 213 at the Washington Navy Yard.

2. I agree that there were so many involved in this effort that it would be difficult to list each one. However, I am expressing my appreciation to certain key individuals with the hope that they in turn will provide recognition to their subordinates.

3. It was also the observation of members of my staff that [ ] did an outstanding job in organizing and coordinating the required logistic support for relocation to Building 213. Your letter of commendation to [ ] is richly deserved and will be incorporated in his official file. Although I am sure there are many others in your organization deserving of commendation, I would like to take this opportunity to single out [ ] for their untiring efforts and cooperation. I would appreciate very much your passing my thanks and appreciation on to these individuals.
